2018 Nominations for NYSAER Board of Directors

Nominations for the 2018 NYSAER Board of Directors are now being sought. Serving on the NYSAER Board of Directors is a good way to be involved in your chapter, influence the future of the organization, and meet other professionals in your field.

Any current NYSAER member is eligible to serve for a three-year term. There are three board meetings a year (Two held at the current year's conference site (one just before the conference), and one held via telephone conferencing in February).

Consider running and nominating your associates for the Board of NYSAER. Fill out the nomination form and **return it to Sharon Schwalm by June 30, 2018** with a paragraph long bio telling members a little about yourself and why you want to be on the NYSAER board.

If you wish to nominate someone, please make sure the individual sends their short paragraph with your nomination. No nominations will be accepted without the short bio.

Those interested, should e-mail the nomination form to Sharon Schwalm at sschwalm1@rochester.rr.com. If you have any questions, please e-mail Sharon.

Application is on the second page.
